WHO ARE WE

A Facility Service Startup, started with a structured thought, a first step and with the proceedings of setting up a new company abiding legal norms. **F360** took off with facility and housekeeping services for corporates in 2020, accompanied by 5 like minded associates.

Our head office situated at Magarpatta city is adjacent to maximum corporate offices. The closer proximity enables us to provide quick services, on time, every time.

OUR MISSION

To deliver facility-services all-round the year as your 360-degree integrated service provider, managing all the business processes, sub processes and transactions on your behalf-responsibly,efficiently and honestly

OUR VISION

To be known as the most preferred and evolutionary partner of each and every esteemed client of ours, delivering prompt and efficient service with complete transparency and smooth operations. We believe that for us, 'success' means gaining the trust and faith of our customers everyday and always

FACILITIES

Office operational requirements can be tiresome. What if you had the Aladdin's lamp at your disposal? Well, you have the next best thing. F360 team is a professional Facility Services Management startup, focused on to deliver effective support and services for your organization's everyday needs.

Think of us as the extra pair of hands that you wish you had when your organization demands everything done at once, flawlessly. Be it Housekeeping staff, Plumber, electrician, DG operations, Office deep cleaning and sanitization, you name it we will deliver with utmost hygiene using high quality branded materials.

DIVERSITY & INCLUSIONS

We go our furthest extent to cultivate a culture in our work environment that embeds a sense of diversity and inclusion as an inseparable value of F360. We are fortunate to have a team that resonates to this same wavelength of respect for each other, nature and everyone else, irrespective of gender or any other biases. The very etiquette is maintained thoroughly, be it in our office or client sites. This enables a judgment free work atmosphere for anyone to grow exponentially.

HYGIENIC

Attention to every small detail goes a long way when providing support and services. Our focus is to deliver unhinged support and services with maximum hygiene. All the products we use and deliver are high quality branded materials. We routinely check quality standards for each and every material to ensure proper hygiene. A valued part of F360 culture is transparency, because for us to cover the long miles ahead, your trust matters.

Specially during these unprecedented Covid-19 times, F360 is dedicated to making it easy for organizations and institutions by supplying the necessary personal protection equipments and products, sanitisers, disinfectants, protective masks, face guards and all medical supplies.

INSTITUTIONAL SAFETY

Safety is non negotiable, that is given. However, apart from taking utmost precautionary measures, we foster a family like environment where everyone feels as safe as possible, even away from home.

We are authorised dealers for Rudraum App that helps in securing mobile devices from hacking, phishing, data theft, spamming, ransom ware attacks, data theft.

We are partner of **TSM TheSafetyMaster Pvt Limited** a safety consulting Training and product company. Covering Process Safety, Electrical Safety and many such trainings. TSM excels in enhancing the quality of life and safety of it's customers and community. We at F360 are determined to serve the community with the all the services that TSM caters. We are here to bridge the gap in the requirements to be met for occupational safety and fully eradicate or minimize these accidents with their root causes. We innovate better ways of working with clients to solve their Safety issues.

ABOUT THE FOUNDER

Mr. Jagan Mohan Anasingaraju, the Founder & Managing Director of F360 strongly feels the need for a collaborative approach than competitive. *'There is so little a man can achieve alone'* he opines while addressing himself in regards to the length of journey he set sail for, after 17+ years of toilsome work in the administration/HR and facilities services, indirect sourcing domain for various leading companies.
