RUDRAUM
TOTAL SECURITY

ANTI-HACKING
+ANTI-THEFT WITH
LIFETIME VALIDITY

RUDRAUM
MOBILE KA
BODYGUARD

Don't worry
about your phone,
It will take care
of its own.

To overcome the threat of increasing mobile thefts,
add the power of **Rudraum's Mobile ka Bodyguard**
app to your mobile. With a host of features,
makes your device capable to alarm you instantly
incase of any mishap and its anti hacking property is
an added advantage to safeguard your mobile data.
But why wait for it? Get the **Rudraum** power today.

Rudraum
Total Security

In today's scenario mobile phones are not just a mode of communication, but in short your secret box. All things from bank account details, personal pictures, private chats, important contacts are stored in your mobile device. Some of these are so important that your life may come in trouble if they are placed in wrong hands.

The Tech Rudraum Anti Hacking App is a researched based gen next Anti Hacking program for Android mobile devices. which not only protects your mobile device from being stolen but also keeps it safe from Viruses and Trojans. The app helps in securing mobile devices from hacking, phishing, data theft, spamming, ransomware attacks.
